

## Department overview of EDP interviews

1. Select the EDP icon

The screenshot shows a web interface for EDP interviews. At the top right is a 'Tasks' button. Below it is a 'Custom statistics' section with a sub-header 'Create statistics download by teams or departments' and a 'Help and introduction' link. A question 'What level do you want statistics for?' has two radio button options: 'Team' (selected) and 'Department'. Below this is the 'Department overview' section, which has a sub-header 'Status and statistics for each team (resume completed / sheets submitted / sheets distributed / employees)'. It features a 'Help and introduction' link and a table of teams. A red arrow points to the 'Department overview' header, a green arrow points to the '(2/3/4/5)' statistics for the Management Team, and a blue arrow points to the '17' value in the first column of the Management Team row.

Team	Statistics	Value	Value	Value	Chart
Management Team	(2/3/4/5)	17	17	17	Chart
Education Team	(0/0/0/3)	17	Chart		
Workshop	(0/0/0/2)	17	Chart		

2. On the right side of the screen you can see an overview of the teams for which you have a managerial responsibility. The top executive and HR can see all teams in the organisation. The numbers by the green arrow are explained above (red arrow). Blue arrow shows the year of the EDP round, and by clicking you can see the current EDP statistics.
