

See the EDP questionnaire before you send the mail

A screenshot of a web application interface. At the top, there are navigation tabs for 'Employee Development Plan' and 'Chefgruppe'. The main heading is 'Dialogue'. On the left, under 'Teams you can have dialogs with', there is a list of teams: 'Help and introduction', 'JANES NYE TEST', 'Administration', 'Chefgruppe', and 'Ledergruppe'. A red arrow points to 'Chefgruppe'. On the right, the 'Chefgruppe' dialog is open, showing a list of team members: 'Elmer Jensen', 'Kasper Marked', and 'Marianne Gas'. Each member has a row of icons: a checkbox, an envelope icon, a red document icon, a share icon, and a trash icon. A red arrow points to the red document icon for 'Elmer Jensen'. Below the member list, there are sections for 'Help and introduction', 'Statistics for this round', 'Statistics for team, last 3 years', and 'Question template used'. A red arrow points to the 'Question template used' section, and another red arrow points to the 'Statistics' button at the bottom right.

Select your team – open the questionnaire/resume-sheet next to the envelope icon. This is also the place where you can write down your preparatory notes before the actual interview. Remember not to finish the questionnaire before the real resume has been written.

You can also view the questions by clicking on 'Statistics' and then *Question template used'
